

**TOPIC: MY YEAR OF UNSTOPPABLE PROGRESS PHYSICALLY/MATERIALLY**

**TEXT: GENESIS 24:56b**

**Introduction:** According to our text in (Gen. 24:56b), Abraham's servant replied to the family of Rebecca not to be hindered from continuing his journey since he has achieved the purpose of his coming and need to return to report of the success of his journey to his master. The lesson we can learn is that, though he was in a comfortable place, among people that cherished his presence, yet he knew that to succumb to their request to stay longer will be tantamount to being stopped from progressing to the next level of achievement and success. He had an unstoppable mindset to progress till total success is achieved.

I therefore declare that, as we begin this prayer this week, may doors of unstoppable progress be opened to us in all physical achievements and may all hidden blessings, covered, and yet to be revealed become visible, tangible and measurable as it pertains to our ministry, family, businesses, nations etc. in Jesus' name. [Isa. 45:3].

**TOPIC:** BREAKING EVERY YOKES HINDERING  
THE PROGRESS OF OUR YOUTHS/CHILDREN

**INTRODUCTION:** Today's child will become the youth of tomorrow. Also, the youths of today are tomorrow's leaders. Whatever any man or woman has become today, the foundation has been laid during the youthful stage. This truth is often reflected in the efforts the enemy always make to ensure that they are manipulated and molded from their childhood stage to youthful stage and they would eventually become the devil's finished products when they become adults. The bible says that it is better to bear the yoke of discipline when one is a youth (Lam. 3:27). Also, Jesus' kind of yoke would shape the youths to become useful to themselves, the society and to God. (Matt. 11:30) We therefore need to break every satanic yoke in the lives of our youths and children and permanently deliver them so that they can become vessels in God's hands. (Lev. 26:13).

After king David received that anointing, he became an asset to His generation. The competition among many so-called evangelicals is no more evangelism. It is how to build the largest sitting capacity auditorium and filling them with many unconverted converts. How pathetic!

In Luke 21:28,31 our Lord Jesus told us that when we see some things happening, it is sign of His imminent return. We are actually seeing many strange things happening but instead of being awoken to the need for urgency in world evangelization, we are becoming more complacent and insensitive. Almost every sector of our life as a nation has collapsed or in the process of total collapse. We therefore need to cry to God to bring our country out of the valley of hopelessness and turn us again into a lively nation that would progress again (Ezekiel 37:11-14) Only the Spirit of God can accomplish this if only we can pray down His hands of mercy over Nigeria.
